TECHNICAL SKILLS

Programming Languages: Python, C, SQL, HTML, CSS, PHP, Bootstrap, JavaScript

Soft Skills: Team Work,Leadership qualities

PROJECTS

Image Captioning
Deep Learning and natural language Project   *Python, TensorFlow, OpenCV*
- Developed an end-to-end system for generating descriptive captions for images
- Implemented advanced CNN and LSTM models for image feature extraction and caption generation, improving caption accuracy
- Achieved state-of-the-art performance on the Flicker-8k dataset

CAR RENTAL SYSTEM
JAVA   *Eclipse PHP*
- **Technologies Used:** Implemented the system using Java for the backend logic and PHP for server-side scripting.
- **Java:** Utilized Java, , leveraging the Eclipse Integrated Development Environment (IDE) to develop the core functionality of the system
- **PHP:** Employed PHP for server-side scripting to handle client requests, process booking information, and interact with the backend services.

NYKA clone
WEB-DEVELOPMENT   *HTML,CSS,BOOTSTRAP*
- **Technologies Used:** Utilized HTML for structuring the web pages, CSS for styling and layout, and Bootstrap for responsive design and pre-designed components.
- **Features Implemented:** Incorporated essential features such as navigation menus, product listings, filtering options, and a shopping cart interface to mimic the user experience of the original NYKA website.

EXPERIENCE

INTERN AT IBM   Jan 2023-Apr 2023
IBM
- Developed and optimized website layouts using HTML and CSS
- Worked on a project to redesign a clone website of Nykaa, enhancing user experience and interface.
- Improved website performance through code optimization and responsive design techniques.

EDUCATION

SR junior college for girls   Warangal,Telangana
MPC   *Aug 2019 – May 2021*
percentage 95

SR University   Warangal,Telangana
B.Tech in Computer Science, Data science   *Nov-2021 – present*
CGPA-8.4

CERTIFICATIONS

- NPTEL certification on python for data science- Nov 2023
- Coursera certification on Business Analytics - Mar 2024
- Cisco certification on Introduction to Data science - Jun 2023
- TCS iON Career Edge - Young Professional certificate - Jun 2023
